

HUD Audit?

Don't face it alone

Count on the experts at Claims Recovery Financial Services (CRFS) to help you prepare for your next HUD Audit. Our team provides Audit Readiness services and can help ensure you are fully compliant with all of the most recent regulatory changes.

With over 75 years of combined FHA Claims experience, CRFS offers precision solutions that have helped recover billions of dollars for our clients. We're the only vendor in the industry to have received multiple zero HUD Audit findings. Additionally, we've assisted our clients with reducing their loss mitigation findings by millions of dollars.

Our proven audit process begins with file preparation before the auditors arrive onsite, leading to reduced findings on the initial reports.

By working directly with the auditors and supporting claim decisions with regulatory documentation, CRFS has been extremely successful in remediating findings. Then, we partner with our clients to make improvements, create efficiencies, and reduce their risk for future claim filings.

Why CRFS is the right partner

About CRFS

CRFS provides clients with a full suite of default-related audit and consulting services designed to reduce loan portfolio risk. We have a proven track record of assisting investors and servicers mitigate millions of dollars of potential audit findings exposure. Our dedicated and experienced team of consultants will develop a customized engagement plan that identifies and controls potential areas of regulatory and operational risk.

Participation in multiple HUD Audits each year gives us insights into common trends and findings that occur with the auditors and has helped us develop best practices for audit interactions. This knowledge and insight help us recommend other process improvements, create efficiencies, and reduce risk for future claim filings for our clients.

Since 2002, CRFS has demonstrated a proven ability to dispute HUD Audit findings and provide our clients with significant savings. By working with the auditors and supporting claim decisions with regulatory documentation, our services have consistently resulted in findings being overturned.

Compliance expertise

CRFS has a dedicated Compliance team with 30+ years of combined FHA Claims experience. Our professionals have forged strong relationships and take an active role in high-profile industry groups, enabling CRFS to maintain open dialogue and provide valuable insight as industry changes are being made.

Unmatched speed and precision since 2002

CRFS began in the claims business and has achieved a level of expertise, speed and efficiency that no one in the industry can match. Put our experience and knowledge to work for you.
